Coastal Installation Exception

For INICIO Windows + Doors aluminum products installed in coastal environments—defined as three (3) miles or less from a coastal seashore are warranted for five (5) years from the date of delivery. Due to increased salt exposure and corrosive conditions:

- Cosmetic corrosion (pitting, oxidation, discoloration) is not covered.
- Hardware components are not warranted.
- Proper documentation of cleaning and maintenance—including routine monthly fresh-water rinsing—is required to maintain coverage.

Coastal installations must follow enhanced maintenance practices as outlined in the INICIO Care & Maintenance Guide. Failure to follow these requirements may void warranty coverage.
